Miss Betty Lund and Miss Nancy Carmody, two North High Physical Education teachers, are also advisors to G.A.A. The Girls Athletic Association was host at a playday and also held a very successful skating party. G.A.A. sponsored numerous other sports activities and is one of our school's most prominent athletic clubs.

Acknowledgments

The 1955 GALAXY staff wishes to thank the many people who have contributed so generously to making this book a success: the administration and teachers at North High, Bill Retchin and Nelson Carnes of the S. K. Smith Cover Company, Roy Day of the P-B Press, Inc., Peterson Engraving Company, Jack Bowles, the photographer, and our advertisers and patrons.

Well, we finally made it ! ! !
All the dummies are drawn, the pictures scheduled, the art work done, the copy written, the scores compiled, and the books balanced. We've had so much fun producing this yearbook. We of the 1955 GALAXY staff hope you readers enjoy it. All the pixies say goodbye until 1956.
